

Installation & CARE

2004-2007 BMW E60 5 SERIES LED TAILLIGHTS INSTALLATION

BEFORE INSTALLATION

- If you experience any difficulties that the instruction did not cover, please seek assistance at local automotive shop.
- Please wear protection before you work on any vehicle.
- An assistant is useful when removing the front bumper from your vehicle.
- Please be cautious when working with the bumper or any parts belonging to the vehicles's body to prevent scratching.
- Do not make direct contact with the halogen bulbs or the wire assembly until the unit has cooled down after use.
